

VEHICLE SERVICES
Collection, storage and sales

Site Rules

For your safety when visiting one of our sites the following rules apply:

Please ensure you follow the designated walk ways and park in the designated parking areas.

All visitors must report to reception and sign in before viewing

All visitors must ensure that they are wearing appropriate footwear and have high visibility clothing.

Viewings are restricted to no more than two people per vehicle at one time.

Do not approach vehicles while they are being loaded or unloaded.

The speed limit when travelling around our sites is 5MPH, this is for our safety and yours.

No persons under the age of 16 are permitted on to any of our sites.

HBC store 1000's of vehicles, please write down the reference or registration number of the vehicle/s you wish to view or collect and bring this with you, this will save us and you time.

Please ensure that any accidents are reported to a member of staff before leaving the site.

The yard managers have the right to refuse viewings, so please ensure you understand the above rules prior to travelling to your chosen site to avoid disappointment.
